

# Find YOUR Image In Six Easy Steps.

## Step 1 SIDE

Find YOUR side.

Determine which side of the planter you are

## Step 2 ROW

Find YOUR row.

Rows are numbered starting with row number one (1) nearest Spaceship Earth.

## Step 3 SECTION

Find YOUR section.

Sections start with the letter "A" nearest the planter and grow from there

## Step 4 PANEL

Find YOUR panel.

Each panel in a section has a number in the lower left corner

## Step 5 COUNT UP

Find YOUR Image.

Count up on the left side of the plaque. After counting up, stay on that line; count across to locate YOUR image.
