

Each building number below has an (S) or a (D) after it. The (D) stand for buildings with disability access rooms. On the map, each disability access room is shown in dark green or purple. The light green letter on the room shows the type of bed(s). "D" = double beds (5, 19, 27, 46). "K" = king bed (3, 22, 51, 53, 67, 70). The (S) buildings have standard King rooms (Rooms 03, and 22 only, first 3 floors only, shown in purple)
