The Cast of
Disney's Yacht & Beach Club Resorts

Stormalong Bay Pool Complex

Legend has it that a gigantic sailor named Stormalong came along some time ago and took these parts by storm, running his great ship aground where Stormalong Bay now stands. His mighty vessel plowed into the shoreline in a fierce nor'easter, tearing into the sand and creating the pools and waterways of Stormalong Bay.

You can still see his great ship, with its proud mast piercing the sky 150 feet into the air. It now hosts an exciting water slide, which plummets into three acres of pools, including a snorkeling lagoon, a lively lagoon featuring whirlpools and waterspouts, and a tranquil lagoon for relaxing. Come on and take the plunge!

Inner tubes are available for hourly or daily rentals. The Stormalong Bay Pool Complex is intended for the exclusive use of house guests of Disney's Yacht & Beach Club Resorts. Swimmers' aids are allowed in the pool and on the slide. "Floaties" are available at the merchandise window near the pool and merchandise shops in all Resorts.
